This memo is to inform all County Departments and Offices that on September 26th, 2004, during a regularly scheduled meeting of the Bland County Board of Supervisors, a motion was made and carried to enact a parking policy for the purpose of providing the public with greater ease of access to County services located within the Courthouse and to assure our citizens that they are our first priority.

The Board-adopted parking policy was derived to be customer friendly, highly functional and efficient, as well as display department equality. The parking policy was approved as follows:

↑ = Bland County Sheriff's Department loading area and close proximity parking (Total of 4 reserved spaces)

⊏ = New River Valley Regional Jail loading area (1 reserved Space)

↑ = Judge's Parking Spot (1 reserved space)

← = Customer Parking Only

--> = Employee Parking - First come first served

● = Overflow Parking area(s) Note: Please park any idle County vehicle in the overflow area(s) in order to provide adequate employee parking.

◆◆ = Planned & Future Parking (VDOT provided - 3 months /Possible future parking contingent on a as-needed basis)

Please let me know if you have any questions regarding this matter. Thank you.
